You Can Help Short Circuit the Trajectory for At Risk Boys

Because of Acts4Youth, at-risk boys are....

Hearing the testimonies of successful men

Learning about financial management and entrepreneurship

Counseled on anger management and goal setting

Mentored by positive male role models

Learning about conflict resolution

Visiting local businesses and interviewing successful men

Completing school enhancement projects

Earning rewards for good behavior and performance

Going to summer camps

Learning important teamwork traits

Receiving tutoring

Spending time within a positive peer group

<p></p>
